RE: Sexual Health Curriculum

During school year 2016-17, the school is receiving training on a DOE-approved Sexual Health curriculum for implementation in SY 2017-18. Therefore, Complex Superintendent Ann Mahi has approved an exemption to this component of the Health curriculum this year.

In SY 2016-17, no Sexual Health content is covered in our Health classes.

When the curriculum is finalized, it will be posted on this website and parents will have the option to select out of the curriculum in SY 2017-18.

Thank you for your support.

If you have any questions, please call the school at 697-9400.
