What is Title I?

Title I is a program that provides additional academic support and learning opportunities for students at schools with high percentages of socioeconomically disadvantaged children.

A Title I, Part A program is to provide all children with a significant opportunity to receive a fair, equitable, and high-quality education, and to close educational achievement gaps. (ESEA section 1001)

Title I Eligibility

Hawaii Department of Education (HIDOE) Title I eligibility is based on a minimum poverty threshold of 47.2%, which is determined by the percentage of students qualifying for free and reduced-priced meals.

Requirements for a Title I School

- **Comprehensive Needs Assessment (CNA)** must be conducted at each Title I school in order to gain a better understanding of the strengths and the contributing/root causes of the identified needs.
- **Title I Schoolwide Plan** must be written, implemented and monitored by each school. It describes how the school will improve academic achievement by addressing contributing causes of needs identified in the school's CNA. Within the HIDOE, the school's Three-Year Academic Plan (AcPlan) is considered to be the Title I Schoolwide Plan.
- **Fiscal Requirements Form (FRF)**, the school's Title I budget plan, must be aligned to the school's CNA and the Title I Schoolwide Plan (AcPlan).
